

Generic Presentation Pack 2.0

posted by Pengtsen R on Thursday, September 10, 2009 12:00 AM

New presentation provider - Widescreenshowroom, with video playback support.

- Changed the scroll icon in 3D Carousel.
- Added "Loop play" and "Hide navigation" option in Virtual Tour.
- New presentation provider - **Widescreenshowroom**, this presentation is now the most important part of Generic Presentation Pack, multiple albums and video playback are supported, click [here](#) to see an example.
